Rheumatism

A Home Cure Given By

In the spring of 1803 I was attacked by Muscular and Inflammatory Rheumatsm. I suffered as only those who have it know for over three years. I tried remedy abor remedy, and doctor after doctor, but such relief as I received was only temporary. Finally I found a remedy that cared me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with Rheumatism, and it effected a cure in every case.

effected a cure in every case.

I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent: simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-looked-for means of curing your rheumatism, you may send the price of it, one dollar, but understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair. Why suffer any longer when positive relief is thus offered you free. Don't delay. Write today.
